## Waiting List

An application form must be completed if you are interested in registering your child at The Children's Ark at St. George's. Application forms may be submitted either for an immediate opening or to be placed on the waiting list. Your application may be on the waiting list due to the fact that The Children's Ark is at capacity or because you desire a future start date. Submission of an application fee does not guarantee enrollment. A non-refundable application fee of \$25 must be paid with a check and submitted with the application.

Applications are filed by date of receipt. Families who desire full time (5 days a week) take priority over families requiring part time (4, 3, 2 days) child care programs. Families with a child or children already enrolled at The Children's Ark will receive priority by automatically being placed at the front of the list. Enrollment is not guaranteed when an application fee is submitted

As soon as the administration knows a space will be available, they will begin with the first families registered in that particular age group. Administration will continue this process of going through the five day families and then proceed to those wanting part time care until a vacancy is filled. Unfortunately we do not hold spaces.

Once we contact you to confirm that your child has a position, you are required to pay a 2 week security deposit and a non-refundable \$75 enrollment fee. With at least a 30 day notice, the 2 week security deposit is applied to the final balance of your account.
